Submitted to the Dewan for consideration whether His Highness's orders should not be obtained in such cases. Experience

shews that in many instances the estimates of the local offices regarding the income of the villages are not realized and in some cases the income does not even cover the interest due.

I am respectfully of opinion that such loans to Jahgirdars, Landholders and notabilities apart from the provisions of any law, should be included in the list of cases requiring submission to His Highness for orders

Submitted to His Highness.

In December 1907 Mr. A.C. Devaraj Urs, Inamdar of Kempanapura in the Chamarajnagar Taluk, submitted an application stating that he had obtained a loan of Rs.20,000 from Sir P.N. Krishna Murti on the mortgage of his inam village and requesting that the Government may take over the management of the village and give him a loan of Rs.20,000 on the security of the village to enable him to liquidate his debt to Sir Krishna Murti and for certain other objects.

The Deputy Commissioner of Mysore reported that the value of the village was estimated at Rs. 34,000 and that it yielded a net annual income of about Rs. 2,600. A loan of Rs.20,000 with compound interest at 5 per cent will be fully repaid in ten years by annual instalments of Rs.2,600. Mr. A.C. Devaraj Urs was therefore informed in May 1908 that the loan applied for would be sanctioned in July or August 1908.

Mr. Devaraj Urs having again applied on the 30th July 1908 for the loan being sanctioned, the Financial Secretary has submitted the papers to me

"for consideration whether His Highness' orders should not be obtained in such cases". He points out that in the case of many of these loans granted to encumbered jaghirdars on the security of their inam villages the income that is realised falls far short of expectations, and that in some cases the income is not even sufficient to meet the interest charges. He suggests that the grant of loans to encumbered jaghirdars and all loans which are not given under the provisions of any law should be sanctioned by His Highness.

I submit Mr. Devaraj Urs' application for His Highness' orders. I am of opinion that the investment is a safe one and that the loan may be sanctioned.

As suggested by the Financial Secretary all applications for such loans will in future be submitted for His Highness' orders.

Submitted to His Highness.

On the file relating to the application of Mr. A.C Devaraj Urs, Inamdar of Kempanpura for a loan of Rs.20,000, His Highness was pleased to enquire in his order dated 21st September 1908 what claims the Inamdar had to the special consideration of Government and on what precise grounds the loan was promised. With reference to the above I submit herewith the Mysore Deputy Commissioner's letter dated 31st October 1908 furnishing information on the subject.

Paper under disposal (2)

Encl: to the above

From the copy of the Sannad produced by the Inamdar it will be seen that the village was granted as a gift to the applicant's father "Aliya Devarajayyanavaru on the occasion of his marriage with Puttammanniavaru daughter of His late Highness Sri Krishnaraja Wodeyar Bahadur III.

H Z (Linked File R.7.20-97)

The case does not strictly fall within the terms of the order of 29th April 1899 as the inam was not granted on account of distinguished services rendered to the State; but I think that cases like the present one are equally deserving of assistance from Government by way of loan on the security of the village.

As the loan was definitely promised by Government, the loan must be given. But I desire that in future no similar loans should be granted or promised without my previous sanction being obtained. The present case is, in my opinion, not one in which a loan from public funds is justified. KRW 19/1/09
